

Chateau Ste Michelle

2018 SAUVIGNON BLANC

COLUMBIA VALLEY

TASTING NOTES

“Stainless steel fermentation makes this a crisp Sauvignon Blanc. The wine offers bright fruit character of melons and herbs. This wine is a favorite with oysters.”

VINTAGE

- 2018 was another stellar growing season and vintage in Washington.
- Warm spring temperatures were followed by mild conditions throughout the growing season, allowing for extended hang time and flavor development.
- Warm fall days allowed for full ripeness and color, while cool Washington nights helped maintain crisp natural acidity.

VINEYARDS

- Sourced from vineyards throughout the Columbia Valley, including our Horse Heaven Vineyard.
- Columbia Valley vineyards lie in the rain shadow of the Cascade Mountains and receive just 6-8 inches of rainfall annually.
- Warm, sunny days and cool evenings create ideal conditions for aroma and flavor development in the ripening grapes.

WINEMAKING

- Yeasts specifically designated for Sauvignon Blanc were used to initiate the three-week fermentation and release varietal aromas.
- Stainless steel fermented to preserve Sauvignon Blanc's delicate fruit character.
