

El Colectivo

The “Colectivo” is the Argentine name for the Public Buses moving around most of the main cities of Argentina. Born as a solution to the lack of trams and little train networks developed, the “Colectivo” became the main public transport system in Buenos Aires and major cities. Fully Decorated and a symbol of Urban Traditions, El Colectivo reflects the vibrant and full of flavor life in the country, like its wine.

“A trip to the Argentine wine experience”
