

Escorihuela Gascón

The President's Blend Malbec, Cabernet Sauvignon, Syrah.

SUMMARY: "1884 The President Blend is for us synonymous of elegance thanks to the pursuit of ideal balance. This is possible thanks to the balance offered by its aromas and flavors. Expression we achieve by complementing the freshness of Malbec, with the structure of Cabernet Sauvignon and the complexity of Syrah. This harmony is what we call elegance "Matías Ciciani, oenologist of Escorihuela Gascón.

VINEYARD AND CONDITIONS OF THE HARVEST: For its high-end wines, Escorihuela Gascón makes a minimal intervention on the terroir and a subtle oenology that defines the complexity of its wines. The soils of alluvial origin of El Cepillo are deep with sandy-loam profile in the lower part while in the higher areas they are rocky and rich in calcium carbonate (caliche). The harvest presented great quality and 'typical' characteristics like little rainfall and favorable conditions for the growth of the vines. Yields were low with great quality grapes, lower alcohol than usual and higher acidity increasing the balance of the future wines

AROMATICS: In the nose it is complex with deep aromas of cassis, cherries and black plums, spices and herbs of Provence as well as smoky tones, cloves, vanilla and cocoa

PALATE: Reach the palate with elegance while flowing juicy and clean. In the middle palate, it is fruity and fresh, and it imparts a taste of fruit preserves, balsamic and toasted tones that define its complexity. Its tannins, round and friendly, achieve good balance with its tense acidity and a certain warmth of end of mouth. Extended end with spicy and fruity aftertaste.
